

THANKSGIVING DAY.

How the Annual Religious Festival of the United States was Observed.

Turkey and Prayer and Cessation of Labor Made the General Order of the Day.

The Holiday More Extensively Observed Throughout the South than Ever Before.

AT ALVARADO.
Special to the Gazette.
ALVARADO, TEX., Nov. 27.—The business houses were all closed to-day in honor of Thanksgiving.

AT AUSTIN.
Special to the Gazette.
AUSTIN, TEX., Nov. 27.—Thanksgiving day was generally observed. The state departments and banks were closed.

AT TYLER.
Special to the Gazette.
TYLER, TEX., Nov. 27.—Thanksgiving day was generally observed here to-day by dinners at private residences, but no public service was held on account of the weather.

AT BLOSSOM PRairie.
Special to the Gazette.
BLOSSOM PRairie, TEX., Nov. 27.—The day has not been observed here as one of thanksgiving and praise. All the business houses were opened. There were no religious services in any of the churches.

AT DALLAS.
Special to the Gazette.
DALLAS, TEX., Nov. 27.—Thanksgiving was pretty generally observed by the people and the city wore the air of Sunday. The ladies of the Presbyterian church gave a dinner and were liberally patronized. A large delegation of citizens went to Fort Worth this afternoon to return to-night.

AT DENTON.
Special to the Gazette.
DENTON, TEX., Nov. 27.—Thanksgiving day has afforded little amusement or demonstration. The city school has taken vacation in honor of the occasion. Prof. R. W. Piman of the faculty has gone to Old Round Rock to visit his family. He will return Sunday night.

AT BOWIE.
Special to the Gazette.
BOWIE, TEX., Nov. 27.—Thanksgiving day was observed here in one respect at least—the time-honored turkey and usual accompaniments. It ought to be a time of genuine rejoicing and thanksgiving among our people in view of the grand (and to many unexpected) Democratic triumph.

AT SAN ANGELO.
Special to the Gazette.
SAN ANGELO, TEX., Nov. 27.—Today being Thanksgiving day, it was generally observed as a holiday by all of the banks, the post-office and most of the merchants of San Angelo. The wind blew from the north in a perfect gale, but the sun shone brightly until about 3 o'clock. It is now cloudy.

AT GAINESVILLE.
Special to the Gazette.
GAINESVILLE, TEX., Nov. 27.—Thanksgiving day was not generally observed in this city. The business houses remained open and the courts were in session. The services held at the Baptist church to-night were very interesting and pleasing, and the programme consisted of music, recitations and speeches.

AT NEW YORK.
NEW YORK, Nov. 27.—Thanksgiving day passed very quietly. The business houses were closed. The postoffice remained open as on election day and the custom-house authorities gave an hour for the entrance and clearance of vessels. Many social organizations paraded the streets and the charitable institutions gave their inmates generous dinners of turkey. John Jacob Astor provided for the boys at the Newsboys' lodging house.

AT WASHINGTON.
WASHINGTON, Nov. 27.—There was a very quiet but general observance of Thanksgiving day here. All the departments were closed and services were held in most of the churches. In the morning the fire department paraded and in the afternoon the colored military organizations marched through the principal avenues.

The president came into the city from the Soldiers' Home cottage and attended church. He afterward drove back to the Home where he took dinner with his daughter and sister, Mrs. M. McElroy.

AT PLANO.
Special to the Gazette.
PLANO, TEX., Nov. 27.—Thanksgiving day was duly observed here for the first time. The postoffice and all the business houses closed their doors promptly at 10 o'clock a. m. A Thanksgiving sermon was preached at the M. E. church to a good-sized audience. Rev. M. Hill of McKinney delivered a lecture. Quite a number of dinners were given in town which were enjoyed by those who were so fortunate as to receive invitations.

AT WICHITA FALLS.
Special to the Gazette.
WICHITA FALLS, TEX., Nov. 27.—Thanksgiving day has been observed and respected at this end of the track. Our bank and many of the business houses closed their doors (they will close again in the a. m.) These schools also closed and the teachers and scholars had a rest. The churches were open and well attended. The majority of our people have had a holiday.

We are thankful for the progress made during the year, and have good cause to be. We have been favored with good health and good times. Our little city has nearly, if not quite, doubled its population in the last twelve months and our county has kept up with the procession. The prospects for the coming year are very encouraging. Many large tracts of land convenient to our town are being cut up and will be sold to actual settlers. This will add to our population and wealth. Our new \$33,000 court-house is well under way and will, when completed, be an ornament to the town. Several large brick buildings are nearly completed. Every day brings us new people, hence our people are thankful, happy and prosperous.

EVENTS ABROAD.

A Parisian Madame Puts Four Shots Into the Breast of an Offending Monsieur.

The French Deputies Refuse an Expression of Confidence in the Government.

A PARISIAN TRAGEDY.
PARIS, Nov. 27.—A tragedy which caused a great sensation occurred here to-day. The wife of Deputy Clovis Hugues with a revolver shot and killed M. Morren, a commission agent at the Palais de Justice, because he had slandered her. She fired six shots at her victim, four of which lodged in his chest. M. Hugues, who approved his wife's action, together with the madame, was arrested.

Last year M. Hugues and his wife prosecuted M. Morren for defamation of character and secured a sentence of two years' imprisonment. M. Morren, by systems of dilatory motions, carried the case from court to court. Madame Hugues became angry and to-day hearing that the court of assizes would grant another adjournment in the proceedings Madame Hugues met M. Morren and the tragedy ensued. She declared to the commissary of police that she hoped she had killed the man who, during the past two years, had been killing her by inches by his atrocious calumnies.

LEGISLATORS IN CONFERENCE.
LONDON, Nov. 27.—Premier Gladstone, the marquis of Salisbury, and others held further conference to-day upon parliamentary questions.

PREMIER FERRY RETROVED.
PARIS, Nov. 27.—In the chamber of deputies M. Leroy read the report from the Tonquin committee advising the chambers to adopt the Tonquin credit, and urging the necessity that existed for occupying the provinces in the north of Tonquin. After a heated debate M. Payron, the minister of marine, explained that the credits of last year were only 72,000,000 francs, and that those for the next year will be 85,000,000 francs. This will enable the government to dispatch 5000 troops to Tonquin to reinforce the French army and to send several cruisers to the navy. The chamber first voted a credit of 10,000,000 francs by a vote of 336 to 169, and afterward voted the fresh credit of 45,000,000 francs. The order of the day, pure and simple, was then put; the order being an expression of confidence in the government, and was rejected amidst great excitement by a vote of 301 to 223.

OUR NEIGHBORS LOVE OUR GOLD.
WASHINGTON, Nov. 27.—With reference to the recently published assertion that American interests in Mexico are in great jeopardy, on account of the attitude of the people of that country toward the United States since the war of 1847, Senator Romero says that the Mexicans are on the contrary, very amicably disposed toward this country. The interests of foreigners in Mexico, Americans included, are in no more danger there than they would be in the United States, particularly under the administration of Gen. Diaz, who will protect with a firm hand their lives and property. Revolutions are no longer possible in Mexico, not only on account of the good sense of the people, but also by reason of the facilities enjoyed by the government to suppress at its birth any sedition movement.

BISMARCK NOTIFIED.
BERLIN, Nov. 27.—Prince Bismarck has been officially notified of the propositions of England for the settlement of the Egyptian debt and that they have also been referred to the other financial colleagues for a conference thereupon.

Railroads Consolidating.
NASHVILLE, TENN., Nov. 27.—Articles of agreement and consolidation between the Mobile, Clarksville & Evansville Railroad company and the Indiana, Alabama & Texas Railroad company were filed for registration in the secretary of state's office. The new company will be known as the Indiana, Alabama & Texas Railroad company.

Vice-President Hendricks.
INDIANAPOLIS, IND., Nov. 27.—Revised figures of the vote of Indiana show: Cleveland 244,592; Blaine 235,480; Butler 8716; St. John 3015; Cleveland's plurality, 6512.
Vice-President-elect Hendricks returned to the city yesterday and made his first appearance at the Grand opera-house to-night. He witnessed the performance of Clara Morris. The box was decorated with flags and pictures.
